Container Drayage, Transloading, and Warehousing When and Where You Need it

Thanks to our new warehouse in Los Angeles, Innovative Transport Solutions (ITS) offers a full suite of services, including import/export container drayage and devanning & transloading services to keep your cargo moving.

Our facility has prime access to major Southern California seaports and airports, with 60,000 sq. ft. of warehouse space and 100,000 sq. ft. of additional yard space with heavy-forklift capability for loading/unloading flat racks & open top containers. The building includes 18 dock doors, allowing us to handle all types of import and export cargo.

We're standing by, ready to:

- Devan cargo (Floor Loaded OR Palletized)
- Transload Cargo into 53' Dry Van / Refrigerated / Flatbed or Step Deck Trailers
- Provide over-the-road trucking from Port LAX and Port LGB to anywhere in the continental U.S.
